Original Mixed Media Artwork

Collector Welcome Pack

2026

Thank you for your interest in my work.

Each piece is created using layered mixed media techniques, building texture, depth, and atmosphere over time. My work explores light, coastal movement, and the quiet energy within landscape.

This guide outlines how to collect, commission, and care for my artwork.

I am truly grateful to every collector who chooses to live with my work.

Warmly,

Candice

Materials & Process

- **Mixed media on professional stretched canvas**
- **Layered texture techniques**
- **Archival-quality materials**
- **Sealed and protected finish**
- **Signed and dated**
- **Certificate of Authenticity included**

This body of work is inspired by Harbour edges - rusted chains, worn rope, and the things left behind when the tide moves on. I'm interested in what gets overlooked, used up and weathered and how this till holds beauty.
